**Subject: Washoe County convention Re: Regarding 13 April email from the NV State Director**

Hi Scott,

Thank you for the email. I would like to say that one reason I support Donald Trump is that he is an outsider. I was at the Washoe County Convention and I noticed that the Trump delegation seemed to be supporting the bylaws changes that were designed to punish and demonize anti establishment Washoe Republicans.

The first bylaws changes purpose appeared to be to punish anyone that sued the WCRCC. Only one person has done that recently and the lawsuit was only filed after two WCRCC chairs failed to follow NRS regarding the names & addresses of members; and the make up of the Executive Committee. Chairman Khan said he would release the names & addresses if elected. Also The Executive Committee attempted to illegally remove Gary Schmidt from the WCRCC. After this attempt, the WCRCC corrected this at a following meeting. The other bylaws changes on the agenda also attempted to punish the outsiders that are trying to hold the party leaders accountable to the rules that are in place. The proposed changes were not distributed before the convention. When I took a copy the day before, I was accused of being a thief and Donald Drake demanded that I give him the proposed bylaw changes. I had paid for the convention; I believe this was a total disregard of transparency and accountability. Our bylaws require advance notice before a bylaw change can be brought up and voted on. Why is the Trump delegation assisting those that would block resolution of these problems by following the rules?

All of the amendments were designed to stop and punish anyone who opposed the establishment.

Fellow Trump Supporters,

You may have received an email from Mr. Munoz, Nevada State Director, addressing pro Trump organizations outside the circle of the National Campaign.

Let me assure you that the *Nevada Veterans for Trump* is an official PAC. We receive no money from National, charge no one for attending State Convention sessions and not one of us receives any salary. We are engaged in this effort simply to turn this nation around under a Trump Presidency.

Please feel free to contact me if any questions arise, otherwise we will stay the course and continue the mission to have Trump delegates seated at the State Convention in May and victory in November.

And lastly, if you have not already signed up to attend our fundraising banquet at the King Buffet (3650 Kietzke) at 6 PM on 19 April to celebrate the one month opening of our PAC, do let us know as soon as possible as we have limited seating.

Semper,

*Scott*
